Notes:

The Logan post office operated from 1887 to 1901.

The Downey Family Cemetery location on my map is an approximation. It is near the half-section line about 1/3 mile NNE of the Downey home place.

The Barney "Devling" family dropped the "g" about 1930 in favor of a "Devlin" spelling.

The GLO patent database for this township has several typos. Maggie (Downey) Devling's patent (NW¼ S25) is listed as "Derling". August Schmutte's 1893 homestead (SE¼ S30) is "Schmulte". Wilber H Welch's 1896 homestead (NW¼ S13) is "Wilbur H".

The A.F. Hinz and Wm B. Davis 1892 patent (NW¼ S8) was issued under the Script Act.

The GLO database has both the James M. Johnson 1893 homestead patent and the Daniel N. Shockey 1892 homestead patent credited to the SW¼ Section 1 with no patent listed for the SW¼ Section 28. On my map I assumed that James Johnson's patent was in Section 28 near Nova Johnson's. I welcome corrections.
