Notes:

Jacob A "Brough" was the son of Spangler Brugh. I used the "Brugh" spelling for all three patents.

Pauline (Dieckmann) Gerber was the daughter of John F. Dieckman. I used the "Dieckman" spelling for both patents on the map.

Alva (1887-1888) was the first town site and post office in this township. Idalia was established in 1888.
