**Notes:**

The Albert Beck 1891 patent in section 26 was only the S½NW¼ according to the GLO database leaving the N½NW¼ unclaimed. This map assigns him the complete quarter-section.

Dietz spelling adopted for the Lydia (Burkard) "Deitz" 1921 patent in section 28. She was the wife of George Dietz. They are buried at Kirk.

Confused by the 'Burkard', 'Burkart' and 'Burket' names in this township? Families with all three surnames plus a 'Burkardt' variation are buried in the Kirk and New Hope cemeteries. The Chicago mapmakers who put together the 1922 owners plate for this township used the Burkard name for all of them.
